The GFA publishes the Grinnell Family Association of America Official Newsletter at least twice per year. Running up to 16 pages, it is chock-full of Grinnell family information, biographies of famous and not-so-famous Grinnell descendants, current vital statistics, recaps of our reunions, and plenty of information on how to do your own genealogy work.

We always invite individuals to submit articles to our newsletter. If you have something you'd like to share, please contact our editor, Marj Murray, at this link.

NOTE: Newsletter downloads are restricted to GFA members only. If you would like to know more about GFA membership, please go to the membership page. You will need the free Adobe Acrobat Reader application to view and print this newsletter.
